### BEST

#### Lifetime Designer Shingles & Slate Roofing

[Click Photo for Complete Details](#)

#### TruSlate™ - Genuine Slate Roofing

The TruSlate™ system can make your dream of owning a genuine slate roof a reality. It features real hand-split quarried slate, not some synthetic imitation. Most important, TruSlate is often comparable in price to imitation slate.

[Click Photo for Complete Details](#)

#### Grand Canyon™

The ultimate choice for a rugged wood shake look. Carefully sculpted shingle tabs combined with a subtle "shadow effect" result in a sophisticated yet rugged design. Safer than wood shakes because they are UL Class A fire rated.

[Click Photo for Complete Details](#)

### Timberline® Prestique® Grande®

For a dramatic statement, choose the rich depth and dimension of Timberline® Prestique® Grande® 40 shingles. They're 47% larger than standard architectural shingles for a more genuine wood shake look.

[Click Here for Full Details >>](#)

[Click Photo for Complete Details](#)

### Grand Sequoia®

Patented, extra-large shingle with unique design helps create a dramatic visual impact for prestigious homes and properties. Safer than wood shakes because they are UL Class A fire rated.

[Click Here for Full Details >>](#)

[Click Photo for Complete Details](#)

### Capstone®

The classic look of random-cut European slate. Random-cut design results in a timeless, turn-of-the century look—especially great for historic properties, Victorians, or even charming cottages

[Click Here for Full Details >>](#)

### Grand Slate™

A stately accent for the finest homes and properties. Massive, extra-thick tabs and specially-blended color palette create the look of real slate shingles.

[Click Here for Full Details >>](#)

[Click Photo for Complete Details](#)

### Slateline®

The look of slate at a fraction of the cost. Patented, extra-large shingle with bold shadow lines and tapered cut-outs. Especially great for historic properties, Victorians, or even charming cottages

[Click Here for Full Details >>](#)

### Timberline Prestique® Cool Colors

The revolutionary Cool Color Shingles combine the visual impact of Timberline® Prestique® 40 shingles with potential energy savings. Offered in a palette of rich, organic colors. Meets initial ENERGY STAR requirements.
