

TIMBERLINE® PRESTIQUE® LIFETIME®

HIGH DEFINITION® SHINGLES

North America's
#1-Selling
Architectural
Shingles!

"Your Best Investment For A
Distinctive **Wood Shake Look**"

for HOMEOWNERS

- **BEST INVESTMENT...** Timberline® Prestique® Lifetime shingles are the heaviest, thickest, and longest-lasting shingles in the Timberline® Series.
- **DRAMATIC LOOK...** Nearly 60% thicker than standard architectural shingles¹, Timberline® Prestique® Lifetime shingles feature GAF-Elk's patented "High Definition" color blends and enhanced shadow effect.
- **SAFER...** Class A fire rating from Underwriters Laboratories, the highest rating possible.
- **HIGH PERFORMANCE...** Super Heavyweight design includes our strongest Micro Weave® Core — for longest life and extended durability.
- **STAYS IN PLACE...** Dura Grip® adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 110 mph.²
- **PEACE OF MIND...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years.³
- **PERFECT FINISHING TOUCH...** Use premium Timbertex® ridge cap shingles (in the West, use premium Ridglass® ridge cap shingles).

for PROFESSIONALS

- **MORE REFERRALS...** People will know that you're installing America's #1-selling laminated shingles!
- **LESS CHANCE OF CALL-BACKS...** Durable, wind-resistant shingles carry a 110 mph Ltd. wind warranty!²

¹Comparison refers to Timberline® Prestique® 30 shingles

²Only with special installation; see Ltd. wind warranty for details

³See Ltd. warranty for complete coverage and restrictions

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Weathered Wood

For just pennies-a-day more, you can enjoy the **thickest, longest-lasting Timberline® Prestique®** shingle

(and increase your resale value, too!)

Timberline® Prestique® Lifetime shingles will cost you just a fraction more than standard architectural shingles. In return, you can enjoy having the longest-lasting, thickest, and most-dimensional wood shake look for your roof. Thanks to layers that are nearly 60% thicker than standard architectural shingles, combined with our patented High Definition® blends, Timberline® Prestique® Lifetime shingles offer a natural beauty and incredible thickness that you'll notice and appreciate. *(Not to mention how much they'll increase the resale value of your home!)*

The GAF-Elk Smart Choice® Roof System Solution has earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system (Refer to Good Housekeeping Magazine for its consumer protection policy.)

The many layers of a **Timberline® Prestique®** Shingle

Diamond Cut™ Granules... Multi-faceted design and light-reflective construction add dimension and depth to the shingle

UV Blocker (Granules)... Protects against damaging sunlight which improves the durability and extends the life of the shingle

Color Lock™ Ceramic Firing (Granules)... Maintains the true color of the shingle longer

Dura Grip® Adhesive... Locks the shingles in place on the roof, gripping tight in even strong gale force winds

SpecSelect Grading System (Asphalt)... Use of finest quality asphalt improves weathering in harsh conditions

Micro Weave® Core... Offers a superior strength foundation that resists cracking and splitting

FiberTech® Components (Core)... Incorporates fibers that are non-combustible, providing a UL Class A fire rating
